OPERATING MODEL

All 7 Journey Families

01 **Recovery**
A value-bearing action is owed or unfinished.

02 **Rescue**
A customer starts something but doesn't finish.

03 **Servicing**
A customer needs help without restarting.

04 **Compliance**
Sensitive communication, permissioned and traceable.

05 **Conversion**
Customer intent needs to become revenue.

06 **Retention**
The relationship is at risk.

07 **Escalation**
Risk or frustration requires a human.
