JourneyGuru

THE PLATFORM

Capabilities 1–3 of 8

01 **Memory Profiles**
Permissioned context: identity, consent, risk.

02 **Journey Families**
Repeatable categories like Recovery and Rescue.

03 **Journey Runs**
One customer's path, shaped by memory.

THE PLATFORM

Capabilities 4–6 of 8

04 **Action Credits**

The usage meter behind every Journey Run.

05 **Premium Paths**

Voice AI, identity verification, added when needed.

06 **Outcome Economics**

Cost per successful outcome and net value.

THE PLATFORM

Capabilities 7–8 of 8

07 **Outcome Ledger**

System of record for every Run and outcome.

08 **Journey Spend Strategy**

How much effort each journey deserves.
